FINANCIAL POLICY

Thank you for choosing Merrill Animal Clinic. Our primary mission is to deliver the best and most comprehensive veterinary care available for your pet. An important part of the mission is making the cost of optimal care as easy and manageable for our clients as possible by accepting several different types of payment. Merrill Animal Clinic can provide an estimate of charges at the owner's request. **Merrill Animal Clinic requires payment in full at the end of your pet's examination and/or at the time of discharge.**

Merrill Animal Clinic accepts cash, Visa, MasterCard, American Express, Discover Card, in-state checks (with a valid driver's license on file). Merrill Animal Clinic also accepts Care Credit and will be happy to give you more information about applying for this service. We do not process Care Credit applications in house. For clients with pet insurance, we are happy to provide you with the necessary documentation to submit a claim to your insurance carrier (payment is still due the day services are rendered).

For some treatments or hospitalization, a deposit will be required. The amount will be determined based on the estimate of services.

Merrill Animal Clinic will charge \$25 for returned checks. Any balance left on the account for more than 30 days will have an interest rate of 1.5% or a minimum of \$2.50 assessed to it.

If you have any questions, please do not hesitate to ask. We are here to provide the best veterinary care available for your pet.
